## STR.T LT SERIES

**KONI STR.T - LT Series** is the next generation of performance truck shock absorbers that offer superior body motion and load control, and improved comfort. Whether you use your truck for daily driving, carrying loads, or for towing your weekend toys, KONI's new LT Series provides the performance edge over factory and replacement grade dampers.

- Improved control and handling when towing and hauling
- Reliable ride comfort when unloaded
- Twin tube low pressure nitrogen gas design is easier to install than mono-tube high pressure gas shocks.
- Reduced impact harshness and vibrations from rough roads
- KONI performance at a reasonable price
- Limited lifetime warranty

### About KONI

As a part of ITT Motion Technologies, KONI develops, manufactures and markets high performance shock absorbers for many types of private and commercial vehicles including street and racing cars, trucks, buses, RVs and military vehicles as well as railway rolling stock. ITT Motion Technologies is the world leader in the development and production of brake pads and friction materials for the transport and automobile industry.
