

KONI / EIBACH KIT APPLICATION EXPANSION

KONI America is pleased to announce many new kit applications. The STR.T 1125 Kit and the SPORT 1145 Kit both include properly matched KONI shocks with Eibach Sport Springs. KONI Kits are complete car-set kits consisting of KONI high performance, non adjustable STR.T or adjustable SPORT shocks, struts and precisely fitting Eibach lowering springs. KONI Sport struts and shocks are the industry leader for user adjustable damping for daily drivers to weekend warriors. KONI STR.T are a welcomed improvement over original equipment shocks and work well for daily driving with added performance.
