SPORT

KONI Sport struts and shocks are the industry leader in externally adjustable damping, establishing the ultimate user control. By easily adjusting between a soft comfortable ride setting to a more firm aggressive ride, KONI Sport transforms the "daily driver" into the weekend track machine without hassle. With its very broad range of adjustability, KONI SPORT is a great choice to upgrade a stock, original equipment (OE) suspension or when matched with lowering springs and other performance upgrades for better handling and a more aggressive look and road feel. KONI Sport carries a limited lifetime warranty as with most KONI products.
