

KONI STR.T FOR 2013-2017 FORD FIESTA ST

KONI announces the STR.T product application for the 2013-2017 Ford Fiesta ST. Previously the KONI STR.T was offered only for the standard Fiesta models and rear of the ST, a new front strut update allows it to fit the ST models as well. KONI STR.T brings improved performance ride and handling control to Ford Fiesta ST. STR.T works well with factory and performance lowering springs.

STR.T

KONI's entry level performance line STR.T (pronounced "Street") shocks and struts bring improved performance and handling as well as KONI quality to the driving enthusiast. The KONI STR.T product line is designed for excellent original equipment (OE) replacement or to complement other suspension modifications, including lowering springs. KONI STR.T carries a limited lifetime warranty as with most KONI products.

- Entry level performance shock absorber
- Complements factory or lowering springs
- Perfect for OE replacement or vehicle improvement
