

## KONI STR.T FOR 2011-2017 DODGE CHARGER, CHALLENGER, AND CHRYSLER 300

KONI proudly introduces the STR.T product line for the 2011-2017 Dodge Charger, Challenger and Chrysler 300. KONI STR.T brings improved performance ride and handling to Dodge's Charger, Challenger and Chrysler 300 rear wheel drive models without factory load leveling rear shocks. STR.T works well with factory and performance lowering springs.

### STR.T

KONI's entry level performance line STR.T (pronounced "Street") shocks and struts bring improved performance and handling as well as KONI quality to the driving enthusiast. The KONI STR.T product line is designed for excellent original equipment (OE) replacement or to complement other suspension modifications, including lowering springs. KONI STR.T carries a limited lifetime warranty as with most KONI products.

- Entry level performance shock absorber
- Complements factory or lowering springs
- Perfect for OE replacement or vehicle improvement
