

KONI SPORT FOR 2005-2012 PORSCHE BOXSTER (987) AND 2006-2013 PORSCHE CAYMAN (987 C)

KONI is excited to offer the legendary Sport dampers for 2005-2012 Porsche Boxster and 2006-2013 Cayman models. This new application will feature externally rebound adjustable front and rear Sport dampers to significantly improve handling. KONI Sport works well with factory and performance lowering springs

Brand/Model	Year	Product	P/N	Vehicle Position

Porsche Boxster (987) excl. PASM factory electronic suspension	2005-2012	SPORT	8741 1610SPORT	FRONT
			8741 1611SPORT	REAR
Porsche Cayman (987c) excl. PASM factory electronic suspension	2006-2013	SPORT	8741 1610SPORT	FRONT
			8741 1611SPORT	REAR

SPORT

KONI Sport struts and shocks are the industry leader in externally adjustable damping, establishing the ultimate user control. By easily adjusting from KONI's vehicle specific baseline balance of comfort and performance up to 100% firmer, more aggressive handling and motion control, KONI Sport transforms the "daily driver" into the weekend track machine without hassle. With its very broad range of adjustability, KONI Sport is a great choice to upgrade a stock, original equipment (OE) suspension or when matched with lowering springs and other performance upgrades for better handling and a more aggressive look and road feel. KONI Sport carries a limited lifetime warranty as with most KONI products.
